

NEW! Corporate Sponsor & Community Group Float Program

This is the program for you if you are:

- A corporation seeking to sponsor a community group, or
- A community group seeking a corporate sponsor

WHAT: Your company or group to participate in the Saskatoon 20th Annual Santa Claus Parade, this year's theme is "A Rock N Roll Christmas"

HOW: If you are a company that would like to be involved but do not have the volunteers, or time – but would be able to sponsor an entry or;

If you are a community group that would like to be involved but do not have the resources and/or funds

We would like to put you together (Sponsor and Community Group) to work in partnership to be involved.

If this interests your company or group please contact us and we can pair you with a partner. (Please note: The Board will not exchange money between the groups, but will facilitate matching the sponsors and groups.)

WHY: We need your support by entering a float to ensure that we can bring Santa Claus to the children this year!

If you wish to provide sponsorship for a group to create a float, a suggested amount of \$250 is a good starting point to create a great parade entry. If you wish to give less or more, those sponsorships would be appreciated as well.

REWARD: Participating in a continuing tradition that brings smiles to children's faces as Santa comes to town!

Email: Rachelle @ rneiman@primarisreit.com or contact 306-665-4845 for more information.
